Ms. Pacholek

I note that the Environment Canada submission on Climate Variability is not included in EIS Conference Report Appendix 2 - Written Commentaries - Intervenors filed on the Public Registry . The EC submission is filed on the public registry under Intervenors, but is not included as a part of the record of the EIS Conference.

I request that Appendix 2 - Written Commentaries be revised to include the Environment Canada submission.

Thank you for your attention to this matter.

Chuck
