What should I expect?

- Opening remarks from the Chair
- Presentation by the companies proposing the Project
- Followed by a question and answer period by participants who pre-registered and time permitting, from participants who register just before or during the hearing session.

Who is the Joint Review Panel?

The Joint Review Panel is a seven-member, independent panel looking at possible environmental, social and cultural changes related to the proposed Mackenzie Gas Project.

For a list of registered attendees, visit the Panel's Hearing Information Page on the Internet at: <http://www.ngps.nt.ca>.

For more information, contact the Panel Manager at 867-678-8604 or visit the Northern Gas Project Secretariat office in Inuvik at 125 Mackenzie Road, Suite 302.
